THE PRE-LOADED LEARNING TABLET

Playaway Launchpad

Playaway Launchpad is the first ever secure, pre-loaded learning tablet designed for children in a circulation environment.

Pre-loaded with high-quality learning apps and immediately ready to circulate, every Launchpad is durable enough to move from the hands of one little explorer to the next.

- Always shelf ready – One-touch reset means no staff maintenance is required
- 100% secure – No risk of exposure to unintended content
- Starting at \$99 – Including everything you need to build your collection

Custom curated and ready to circulate

- No librarian research or app expertise required
- Thousands of best-selling, ad-free apps just for kids
- App packs grouped by subject area, theme and age
- 10+ apps pre-loaded onto each tablet

Each tablet is a new adventure

Avatar builder lets kids design their own personal explorer

Discovery Points reward game play and can be used to purchase virtual accessories

Parent console gives adults analytics about time spent on tablet

One-touch reset makes it easy to pass from one explorer to the next
