## APRIL 2015 Featured Book – **DIAMOND BOY** by Michael Williams

*My father says that a journey should always change your life in some way. Well, when you have nothing, I suppose a journey promises everything.*

"Diamonds for everyone." That's what fifteen-year-old Patson Moyo hears when his family arrives in the Marange diamond fields. Soon Patson is working in the mines along with four friends, pooling their profits for a chance at a better life. Each of them hopes to find a girazi, a priceless stone that could change their circumstances forever. But when the government's soldiers come to Marange, Patson's world is shattered. Set against the backdrop of Zimbabwe's brutal recent history, *Diamond Boy* is the story of a young man who succumbs to greed but finds his way out through a transformative journey to South Africa in search of his missing sister, in search of freedom, and in search of himself. A high-stakes, harrowing adventure in the blood-diamond fields of southern Africa, from the critically acclaimed author of *Now Is the Time for Running*.

We will also talk about YA literature (what YA books you are reading other than the group read), pop culture, movies, music, video games, apps, teen reading/publishing trends and any other YA related topics you would like to bring up!
