

Are you an energetic individual
looking for an exciting
volunteer opportunity?

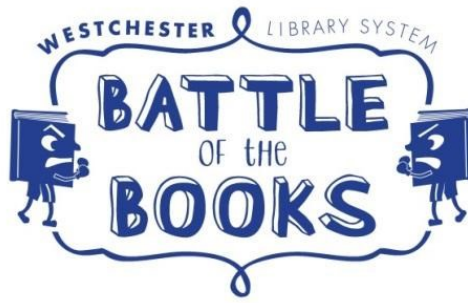

Join us for the **6th Annual Westchester Library System Battle of the Books**,
a reading motivation program for
grades 4-10. It is a fun, book-based
trivia competition.

See reverse for more details.

We need eighty volunteers to make the day run smoothly! Volunteers are needed for the following roles:

- **Emcees** read the questions in each battle round and award points to the team that answers correctly.
- **Timekeepers** keep time for each battle round.
- **Scorekeepers** keep score for each battle round.
- **Room Monitors** ensure the number of people in a room does not exceed fire code limit, and will maintain a quiet and respectful atmosphere for the battle round to run smoothly.
- **Runners** bring the scores from the battle round hallway to the Scoremaster in the gym after each round.
- **Greeters** help run the registration desk, check in volunteers and teams, and help set up for the Final Battle.
- **Gym Monitors** help keep order in the gym between battle rounds.
- **Lunch Helpers** hand out pizza and water to teams during the break.
- **Photographers** take photos of the day, capturing memories!

Do I have to stay all day? Ideally, volunteers are available from 8:30 am to around 2:30 pm. If you want to help but can't commit to the whole day, please let us know your availability. We can always use extra hands!

If I decide to volunteer or have more questions, who do I contact? Reach out to the 2019 volunteer coordinators, Suzy Zavarella and Kathlyn Carroll at **bob.westchester.volunteers@gmail.com**
