

DO YOU HAVE QUESTIONS ABOUT MEDICARE OR OTHER SENIOR BENEFITS?

SENIOR BENEFITS INFORMATION CENTERS (SBICs) help adults age 60 and older, and those caring for the elderly, achieve a better understanding of Medicare health plans and prescription drug coverage. Information and counseling is provided about different types of government programs, including federal and state financial assistance programs, and county-wide benefits.

You can meet one-on-one with a trained counselor at one of the locations listed on the back of this card.
